CLEARED Supplement n°1/2011

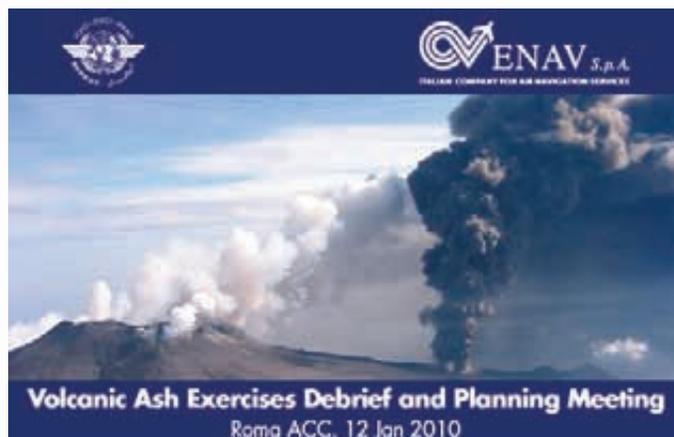

# 2010: A year in images

## MEETING BETWEEN ENAV AND SACBO

**Bergamo 13<sup>th</sup> January** - ENAV's Director General, Massimo Garbini, had a meeting with the Top Management of Sacbo, Bergamo's Airport Management Company, during a meeting concerning the potentials and perspectives of Orio al Serio's Airport. Following the meeting, the new operational area of the Control Tower was visited, created and equipped with the most advanced technologies that are currently available in the provision of air traffic management. In the photograph, from left: Massimo Garbini, Sacbo's Managing Director Renato Ravasio, Massimo Bellizzi, Head of ENAV's Operational Area, Sacbo's Chairman Mario Ratti and ENAV's Chief of Bergamo Control Tower, Roberto Filì.

## ENAV HOLDS THE ICAO VOLCANIC ASH EXERCISES STEERING GROUP

**Roma 12<sup>th</sup> January** - ENAV holds the meeting "Volcanic Ash Exercises Steering Group" of the ICAO (International Civil Aviation Organisation) EUR/NAT at Roma ACC. The group, of which the major European providers are members, undertakes studies and testing for knowledge about volcanic ash and its impact on air traffic management.

## LAUNCH OF THE NEW TERMINAL OF ROMA URBE AIRPORT

**Roma 19<sup>th</sup> January** - ENAV's CEO Guido Pugliesi, takes part in the launch ceremony of the new terminal of Roma Urbe Airport, where extensive developments had been undertaken. The Minister of Infrastructures and Transport, Sen. Altero Matteoli and ENAC's President Vito Riggio were also present.

**ENAV AT GATE XXI**

**Roma 21<sup>st</sup>-24<sup>th</sup> January** - ENAV, together with its subsidiary company Techno Sky, attends the first "Gate XXI" - the international exhibition organized in Italy and dedicated to the world of airport and aerospace technologies. During the event, the Centro Studi Demetra has organized a series of seminars focused on the topics of the development and prospects of the aeronautical sector, hosting representatives of government, industry and the aeronautical sector. In the photograph the stand of ENAV and Techno Sky at Gate XXI.

**LAUNCH OF ENAV'S BRUXELLES OFFICE**

**Bruxelles 27<sup>th</sup> January** - ENAV opens the new representative offices in the building where the main European ATM Service Providers offices are located: Spain (AENA), Germany (DFS), France (DSNA), Italy (ENAV), Great Britain (NATS) and the Scandinavian countries (NEAP and NO-RACON), which combined control 16 million flights every year. In the same building the SESAR JU offices can also be found. Matthias Ruete, Head of the Directorate-General (DG) for Energy and Transport of the European Commission, David McMillan, Director General of EUROCONTROL as well as members of the European Parliament of different nationalities, Massimo Garbini, ENAV's Director General and Alessandro Di Giacomo, ENAV's Head of External Relations, take part in the meeting.

**THE 9<sup>TH</sup> COMMISSION OF THE CHAMBER OF DEPUTIES FOR TRANSPORT AT ROMA ACC**

**Ciampino 26<sup>th</sup> January** - A delegation of the 9th Commission of the Chamber of Deputies for Transport, led by President Mario Valducci, visit the ENAV Area Control Centre (ACC) at Roma Ciampino. The delegation was received by ENAV's Chairman Luigi Martini, CEO Guido Pugliesi and Director General Massimo Garbini, who also showed them the control room and illustrated the principal international activities toward the evolution of the air traffic control systems. At the meeting also attended the President and Director General of ENAC Vito Riggio and Alessio Quaranta. In the photograph from left ENAV's Director General, Massimo Garbini, on his left hon. Mario Valducci.

**ENAV TAKES PART IN THE e-SECURITYLAB CONFERENCE**

**Milano 28<sup>th</sup> January** - The tenth edition of the National e-SecurityLab Conference takes place in Milano, concerning solutions and services for data and applications security, as well as companies' accesses. The event, organized by BCI Italia and by AIPSI (Italian Association of IT Security Professionals) focused on the Best Practice of many companies that use innovative technologies. ENAV's Head of Central Security Unit Francesco Di Maio attended the conference and highlighted that investments were carried out by the Company in order to ensure maximum security of physical infrastructures and the protection of the operational network.

## 5<sup>TH</sup> CISM NATIONAL MEETING

**Forlì 2<sup>nd</sup>-3<sup>rd</sup> February** - The 5<sup>th</sup> National Meeting of ENAV'S CISM Components (Critical Incident Stress Management) was held at the Forlì Academy. CISM is the structured assistance system designed for people who have experienced a critical event and it is aimed at managing stress reactions that may be experienced whilst carrying out the Air Traffic Controller profession. During the meeting the activities carried out in the first four years of activities were evaluated and future objectives were defined. The photograph highlights a moment of the event.

## READY FOR EGNOS CONFERENCE

**Roma 4<sup>th</sup> February** - ENAV takes part in the "Ready for EGNOS" Conference which took place during the SAT Expo Europe 2010 event. EGNOS, the "European Geostationary Navigation Overlay Service" is a project developed by the European Space Agency (ESA) with the support of the European Commission and EUROCONTROL, with the purpose of improving GPS performances so as to provide a highly reliable and precise satellite navigation and positioning system better than the currently one available in Europe. In the middle of the photograph, Giovanni del Duca, ENAV's Satellite Systems Manager.

## ENAC CERTIFIES THE ENAV ACADEMY

**Roma 9<sup>th</sup> February** - ENAV receives the "Training Provider" certification from ENAC. The certification, which is recognised by all the European member states' national security agencies, is an important achievement for ENAV because it permits the Company to offer training courses to third parties that operate within the aeronautical transport industry, a key step in the development of the Technological Polo (the Academy) in Forlì.

During the presentation ceremony ENAC's Director General, Alessio Quaranta, pointed out that the Academy is not just an asset for ENAV, but for the Country's entire system. In the photograph from left: ENAV's CEO Guido Pugliesi and ENAC's Director General Alessio Quaranta.

## MINISTER MATTEOLI VISITS ROMA ACC

**Roma 18<sup>th</sup> February** - The Minister of Infrastructures and Transport visits Roma ACC (Area Control Centre). In the photograph from left: ENAV's CEO Guido Pugliesi, the Minister of Infrastructures and Transport Altero Matteoli, ENAV's Director General Massimo Garbini, ENAV's Chairman Luigi Martini and ENAC's President Vito Riggio.

**THE POPE MEETS AIR TRANSPORT WORKERS**

**Roma 20<sup>th</sup> February** - The Pope meets employees of ENAC and ENAV, who are accompanied in their visit to the Vatican by Italian Cabinet Undersecretary Gianni Letta and by the Minister of Infrastructures and Transport, Sen. Altero Matteoli. Employees of several other Italian air transport organisations (Techno Sky, airlines, management companies, aviation industries, various agencies and bodies, law enforcement) also attended at the Papal Audience, filling the Nervi Hall with thousands of enthusiastic faithful. During the Audience, Pope Benedict XVI underscored how the tasks of ENAV and ENAC are truly noteworthy in regulating and controlling air traffic and in providing efficiency in the national transport system “.

Pope Benedict XVI with Mattia Palermo - Chief of Operational Room of Roma ACC.

Pope Benedict XVI with ENAV's CEO Guido Pugliesi.

Pope Benedict XVI with ENAV's Director General Massimo Garbini.

**THE ITALIAN COURT OF AUDITORS: ANOTHER POSITIVE EVALUATION OF ENAV'S MANAGEMENT**

**Roma 23<sup>rd</sup> February**  
The Court of Auditors makes a positive assessment concerning ENAV's management, also in relation to the year 2008. The Court of Auditors considers ENAV as the most efficient service provider amongst the five most important European providers. It highlights that such results were achieved not only because of fundamental important technological investments but also because of an actual improvement in the way technology is used, thanks to a flawless integration with the Techno Sky subsidiary and positive results achieved by the subsidiary itself. In the report, the Court of Auditors also draws attention to the positive relationship that ENAV has established with trade unions, considering that no national strikes have taken place.

**ENAV AT THE ROADMAP TOWARDS IMPLEMENTING THE SINGLE EUROPEAN SKY**

**Madrid 25<sup>th</sup>-26<sup>th</sup> February** - Massimo Garbini, ENAV's Director General, attends the High Level Conference organised by the European Commission pointing out the position and results of the Italian Service Provider within the Single European Sky implementing context.

### UIR VISITS ROMA ACC

**Roma 1<sup>st</sup> March** - A delegation of the Unione Industriale Romani (UIR) visits Roma ACC. In the photograph from left Massimo Orsoni, Staff Roma ACC; Fabrizio Borraccia, UIR's Head of International Relations; Riccardo Achilli, UIR; Giovanni Federico, ENAV's External Relations Expert; Daniele Fortuna, ENAV's Business Solutions Department.

### SESAR PROGRAMME COMMITTEE

**Roma 2<sup>nd</sup> March** - The first meeting of SESAR-JU Strategic Coordination Group takes place at Roma ACC, attended by representatives of the sixteen members of the project, the European Commission and EUROCONTROL. In the photograph (second from left) Jacopo Prissinotti ENAV's Head of International Activities.

### ICAO VISITS ROMA ACC

**Ciampino 4<sup>th</sup> March** - Karsten Theil, Regional Director ICAO European and North Atlantic Office, visits Roma ACC. From left: Karsten Theil, Massimo Garbini, ENAV's Director General; Pietro Di Rocco, Responsible of en-route Operations and Alessandro Ghilari, ENAV's International Activities Department.

### LANGUAGE PROFICIENCY REQUIREMENTS IMPLEMENTATION WORKSHOP

**Roma 3<sup>rd</sup> March** - ENAV takes part in the workshop organised by ENAC and ICAO (International Civil Aviation Organisation), held at the Casa dell'aviatore of the Italian Air Force, concerning language requirements for pilots and Air Traffic Controllers in order to deal with problems that may arise outside standard flight activities. In the photograph, from right: Massimo Garbini, ENAV's Director General, Alessio Quaranta, ENAC's Director General, Karsten Theil, ICAO Regional Europe and North Atlantic Director Office, Giuseppe Daniele Carrabba, ENAC's Safety Regulation Director, Sergey Melnichenko, Deputy Head of Moscow ATC training centre.

## ATC GLOBAL 2010

**Amsterdam 9th-11th March** - ENAV takes part in the ATC Global, the most important European aeronautical industry fair concerning air traffic control. The Company also introduces international stakeholders to its commercial offer focused on Airspace Design, Flight Inspection and Academy services. An area of the ENAV's stand was dedicated to the SICTA Consortium (Advanced Systems for Air Traffic Control). Techno Sky also takes part in the fair with an entirely dedicated display area. During the ATC Global, ENAV has hosted a number of meetings amongst international participants of the BLUE MED and Coflight projects.

The BLUE MED project's Strategic Board at the ENAV's stand.

The COFLIGHT project's Steering Group at the ENAV's stand.

On the left, Ian Hall, Development and Investment Director of NATS, together with Iacopo Prissinotti, Head of ENAV's International Activities.

Guido Pugliesi (first from right), ENAV's CEO, with Massimo Garbini (in the middle), ENAV's Director General and Mauro Giancaspro (first from left), Head of ENAV's AOIS during the presentation of the new Self Briefing service.

On the left, Daniel Calleja, Air Transport Director General of the European Commission Energy and Transport DG, together with Guido Pugliesi, ENAV's CEO.

On the left Giulio Gamaleri, Responsible for Internal Communication and Image of External Relations, department that took care of ENAV participation at the ATC Global.

## ENAV TAKES PART IN THE HCR ACADEMY CONFERENCE CONCERNING THE LABOUR MARKET

**Roma 10<sup>th</sup> March** - Umberto Musetti, ENAV's Head of Human Resources, Safety and Quality at Work takes part in the conference called "The work to come. The labour market in 2010 - Scenarios, provisions and proposals", organised by HRC Academy. The Minister of Labour and Social Policies Hon. Maurizio Sacconi - and

the Minister for European Affairs, Hon. Andrea Ronchi also attended the meeting.

## A MEETING OF THE SESAR COORDINATION GROUP IN ROMA

**Roma 18<sup>th</sup> March** - The SESAR coordination Group meets in ENAV's head office; the Group is formed by representatives of different providers taking part in the project. In the photograph, standing, Cristiano Baldoni, ENAV's Project Manager for the SESAR project.

## ENAV INTRODUCES THE FEP

**Roma 24<sup>th</sup> March** - Massimo Garbini, ENAV's Director General is interviewed by TG2 RAI in the first of a number of talks during which he introduces the FEP (Flight Efficiency Plan) that has been adopted by the Company. Other interviews will be done with the TG1 and TG3 Leonardo and the Sole 24 Ore. ENAV's Director General describes the way in which ENAV has managed to reduce aircraft flight and taxi times thanks to a complex reorganisation of routes, thus helping airline companies save considerable amounts of fuel and, consequently, significantly reducing Co2 emissions in the atmosphere.

## MULTILATERAL MEETING IN ROMA WITH IATA AND IACA

**Roma 31<sup>st</sup> March** - At the ENAV Headquarters at Fiumicino Airport takes place the User Meeting, the multilateral meeting between the Company and the airline companies on topics regarding costs and tariffs. Representatives of the IATA and IACA carrier representatives and delegates of some companies (Air France, British Airways, KLM and Lufthansa) attended the meeting. For ENAV participated Luca Colman, the Head of Planning and Control Department.

**ENAV IS A GUEST OF THE LIONS CLUB IN CESENA**

**Forlì 8<sup>th</sup> April** - ENAV takes part in the meeting organised by the Lions Club – Cesena Romagna concerning activities carried out by Forlì's aeronautical pole, of which ENAV is a member. In the photograph (sitting down, second from right) Giorgio Ghezzi of ENAV's Academy.

**CANSO VISIT**

**Roma 12<sup>th</sup> April** - ENAV's Director General Massimo Garbini (on the right in the photograph) with Grahaam Lake, Director General of CANSO during his visit in Roma.

**NATS VISITS ROMA ACC**

**Roma 12<sup>nd</sup>-14<sup>th</sup> April** - The Operational Exchange, a meeting of operational management from ENAV and NATS, the English air traffic control service provider, takes place at the Roma ACC.

The objective of the meeting is to show the British air traffic controllers the systems currently used at ENAV's Area Control Centres, which are considered to be the most advanced in Europe. In the photograph for ENAV Massimo Orsoni, Stefano Nicoloso, Amedeo Belli and Francesco Minniti with Peter Bull (NATS Operation Manager) and NATS delegation.

**ENAV PRESENTS NEW P180 AVANTI II FLIGHT INSPECTION**

**Ciampino 16<sup>th</sup> April** - At the Roma Ciampino Airport -Flight Inspection Hangar- the new P180 AVANTI II "Flight Inspection" aircraft is handed over to ENAV, equipped with latest generation NSM UNIFIS 3000 technology. In the photograph from left: Chief Flight Operations, Cmdr. Antonio Brandetti; CEO Guido Pugliesi, Chairman Luigi Martini; Director General, Massimo Garbini; Head of Operational Area, Massimo Bellizzi and Head of Flight Inspection, Cmdr. Giulio Inguscio.

**VOLCANIC ASH. ENAV TAKES PART IN THE OPERATIONAL MEETING OF THE CIVIL PROTECTION**

**Roma 16<sup>th</sup> April** - ENAV's Director General Massimo Garbini (a screen shot of the interview with the TG1) takes part in the operational meeting held by the Civil Protection concerning the eruption of the Icelandic volcano Eyjafjallajökull and the spreading of the ash cloud.

**AIR PATROL BY ENAV IN ORDER TO MONITOR THE PRESENCE OF VOLCANIC ASH**

**Ciampino 18<sup>th</sup> April** -

Within the context of the emergency caused by the eruption of the Icelandic volcano, ENAV carries out (in agreement with the Civil Protection, the Ministry for Infrastructures and Transport and ENAC) an air patrol flight in the Italian airspace, with its own flight inspection aircraft in order to verify the possible presence of ash at different heights. In the photograph, an aircraft belonging to ENAV's fleet.

**UNIVERSITY SEMINAR HELD BY ENAV ON PUBLIC COMPANIES' PROCUREMENT**

**Roma 13<sup>th</sup> May** - ENAV is amongst the companies that have been invited by the Tor Vergata Roma University to provide study seminars within the e-Procurement university Master. Antonio Serafini, Head of ENAV's Administrative Department introduces the positioning and the activities

carried out by the Italian Company for Air Navigation Services in order to indicate the most innovative purchasing strategies that could be adopted by public companies operating in special sectors.

**ENAC REPORT 2009**

**Roma 20<sup>th</sup> May** - Guido Pugliesi, ENAV's CEO takes part in the presentation of the ENAC Report 2009. In this occasion, Vito Riggio, ENAC's President, highlighted ENAV's essential contribution for the management of the volcanic ash crisis and for the actions undertaken for the optimisation and reorganisation of flight routes, thanks to which airline companies managed to greatly reduce costs. In the photograph, from left, Guido Pugliesi, ENAV's CEO, Sen. Luigi Grillo, President of the VIII Senate Commission and Sen. Altero Matteoli, Minister of Infrastructures and Transport.

**APAC CONFERENCE  
ABOUT ENAC JURIDICAL POSITION**

**Roma, 26<sup>th</sup> May** - Massimo Garbini, ENAV's Director General, has taken part in the Conference "Future prospects for Civil Aviation Management - ENAC juridical position", organised by APAC, the Association of Civil Aviation Professionals. The following people attended the conference: Vito Riggio and Alessio Quaranta, respectively ENAC's President and Director General, Francesco Banal of EASA, Bruno Spagnolini, CEO of Agusta S.p.A, Giovanni Bertolone, CEO of Alenia Aeronautica, Hon. Mario Valducci, President of the IX Transport Commission of the Italian Chamber of Deputies, Sen. Angelo Maria Cicolani, VIII Commission Government Works and Communication of the Italian Senate, Councillor Gerardo Mastrandrea, Head of the Legislative Department of the Ministry of Infrastructures and Transport.

The photograph on the right shows ENAV's Director General Massimo Garbini and Alessio Quaranta ENAC's Director General.

**STUDENTS OF LA SAPIENZA UNIVERSITY  
VISIT THE FIUMICINO CONTROL TOWER**

**Fiumicino 27<sup>th</sup> May** - Newly graduate students of the Engineering Department of La Sapienza University of Roma attending the Master in Civil Aviation Management, visit the Control Tower of Fiumicino Airport. In the middle Arianna Santacroce (ENAV), second from left, Marco Silanos, Head of ENAC's Airspace Regulation Services.

**NEWLY GRADUATE ENGINEERS FROM  
LA SAPIENZA UNIVERSITY VISIT ROMA ACC**

**Ciampino 28<sup>th</sup> May** - A few students who have just graduated in Engineering from La Sapienza University of Roma visit the Roma ACC (Area Control Centre) as part of the University Master in Civil Aviation Management, organised with the cooperation of ENAV and ENAC. In the photograph, second from left, Francesco Minniti, Deputy Head of ENAV's ACC and Valerio Falessi of ENAC (first from right).

**ASMT - USER GROUP**

**Ciampino 8<sup>th</sup> June** - An ASMT - User Group meeting is held at the Roma ACC, concerning the ASMT - Automatic Safety Monitoring Tool of EUROCONTROL's project aimed at developing methods for the automatic gathering of Safety data. In the photograph, standing, Tom Linter, EUROCONTROL's APF External Safety Consultant Expert.

## THE CHINESE PROVIDER AT ROMA ACC

**Ciampino 11<sup>th</sup> June** - A meeting between ENAV and CAAC (Civil Aviation Administration of China) is held at Roma ACC. The meeting is the occasion for ENAV to show to the Chinese delegation its own CNS systems (Communication, Navigation, Surveillance) and - in particular - the procedures that the Company uses to validate and render these systems operative and interoperable. A second meeting is planned at Shanghai. In the main frame Su Langen, Head of CAAC delegation and Loris Padella, Head of ENAV's Technical Area.

## GREEN AIRPORT CONFERENCE

**Venezia 11<sup>th</sup> June** - Massimo Garbini, ENAV's Director General, takes part in the Green Airport Meeting organised by SAVE, the Airport Management Company of Venice, and by Siemens. The two companies have launched a project aimed at rationalising and containing energy requirements of the most important Venetian airport.

## ENAV BOARD OF DIRECTORS: NEW TECHNO SKY BOARD OF DIRECTORS DESIGNATED

**Roma 19<sup>th</sup> June** - The Board of Directors of ENAV, convened under the presidency of Commander Luigi Martini, designates the members of the new Board of Directors of its subsidiary Techno Sky: Antonio Iozzino (Chairman), Massimo Garbini (CEO) and Antonio Serafini (Board Member), the latter two of whom also maintain their respective positions of Director General and Head of ENAV's Administrative Department.

## ENAV AT THE SYMPOSIUM ON THE STATE OF ONLINE TRUST IN EUROPE

**Roma 21<sup>st</sup> June** - Francesco Di Maio, ENAV's Head of Central Security Unit takes part in the Symposium on the state of Online Trust in Europe. The event was organised in Roma by UNICRI, the UN interregional institute whose mission is that of assisting governmental and non-governmental organisations in implementing the most appropriate measures so as to prevent crime and criminal justice. The study day was dedicated to the entrustment of data within IT systems, with the purpose of analysing the efficiency of current European legislation concerning judicial guarantees and reactions against criminal IT attacks to critical bodies, Institutions and infrastructures.

### FIRE FIGHTING TRAINING DAY AT THE ANCONA CONTROL TOWER

**Ancona 24<sup>th</sup> June** - ENAV organises a fire fighting training day at the Ancona Control Tower as part of a number of recurrent practices carried out in order to increase the synergy amongst all airport bodies and structures. The Ancona Provincial Fire Brigade, the Police Forces, Civil Protection volunteers, the health service, the Aerodora S.p.A Airport Management Company and

ENAC took part in the operation.

### GENOVA UAAV WINS THE VFRFLIGHT.NET PRICE

**Roma 3<sup>rd</sup> July** - The VFRflight.net, the Italian forum dedicated to the general/VDS aviation, has granted the Genova IAAV the price as "Best Italian VFR Friendly Approach 2010" for the kindness and courtesy of the operational personnel in managing VRF traffic. In the photograph, a moment of the prize-giving event.

### ENAV AT THE INSTITUTIONAL ECONOMIC FORUM - UNITED ARAB EMIRATES AND ITALY

**Valeggio sul Mincio 5<sup>th</sup> July** - ENAV attends the Institutional Economic Forum – United Arab Emirates and Italy held at Lake Garda and organized by Italian Institute for Foreign Trade (ICE) - in cooperation with the Italian Ministry for the Economic Development. In the photograph Cristoforo Montefusco, ENAV Business Solutions Department, during his speech.

### MINISTER MATTEOLI DELIVERS THE LUIGI MURATORI PRIZE

**Roma 6<sup>th</sup> July** - The Centro studi Demetra has granted the 2010 Luigi Muratori Prize to ENAV's CEO Guido Pugliesi. The prize was personally delivered to Guido Pugliesi by the Minister of Infrastructures and Transport, Sen. Altero Matteoli for having succeeded in transforming the public company into a modern enterprise, to the extent that relevant international bodies and customers consider it as an excellent service provider for the quality, reliability and safety of air navigation services in Europe. In the photograph (from right), the Minister of Infrastructures and Transport, Sen. Altero Matteoli delivers the price to ENAV's CEO Guido Pugliesi.

### SELEX VISITS THE AREA CONTROL CENTRE OF ROMA

**Ciampino 28<sup>th</sup> July** - As part of a meeting between two large ENAV and SELEX-SI delegations organised to make an evaluation on the ATM, also in light of the SESAR European Programme, Marina Grossi, CEO of SELEX-SI visits Roma ACC (Area Control Centre). In the photograph, from left, Guido Pugliesi, ENAV's CEO, Massimo Bellizzi, Head of ENAV's Operational Area, Marina Grossi, CEO of SELEX-SI and Rinaldo Malé, Head of Roma ACC.

### LAUNCH OF NEW RUNWAYS AT PANTELLERIA AIRPORT

**Pantelleria 30<sup>th</sup> July** - ENAV takes part in the ceremony related to the launch of new runways at Pantelleria Airport. Maurizio Paggetti (first from right), Head of ENAV's SAAV and CAAV Airport Operations Department, Hon. Roberto Maroni, Interior Minister, Vito Riggio, ENAC's President, Alessio Quaranta, ENAC's Director General are present.

### AWARDING OF DIPLOMAS AT THE FORLI' ACADEMY FOR NEW STUDENT AIR TRAFFIC CONTROLLERS

**Forli 30<sup>th</sup> July** - At ENAV Academy of Forli takes place the ceremony for awarding diplomas for the new 45 Student Air Traffic Controllers who have successfully completed the course over a period of 14 months. In the photograph Umberto Musetti, Head of Human Resources, Safety and Quality at Work (second from left) gives the diploma to a new Air Traffic Controller.

### THE NEW TECHNICAL PROTOCOL ANSV AND ENAV

**Roma 3<sup>th</sup> August** - The Agenzia Nazionale per la Sicurezza del Volo (ANSV) and ENAV sign a new technical protocol which aim at improving institutional cooperation and makes the signaling of events relating to flight security more immediate. In the photograph: from left ANSV's Commissioner Bruno Franchi and ENAV's CEO Guido Pugliesi as they sign the protocol.

### CHINESE DELEGATION VISITS ROMA ACC

**Ciampino 10<sup>th</sup> September** - A Chinese delegation of top air traffic controllers, including Liu Kang, Deputy Director General - Office of China ATC Committee State - visits the Area Control Centre of Roma. In the photograph: the Chinese delegation at Roma ACC, in the centre, Rinaldo Malè, Head of Roma ACC.

### BLUE MED FAB PROJECT CONVENTION

**Padova 14<sup>th</sup> September** - BLUE MED FAB Project Convention takes place at the Area Control Centre (ACC) in Padova, the first of a series of scheduled meetings organized in order to explain and investigate activities connected with the setting up of the BLUE MED Functional Airspace Block (FAB). In the photograph, Cristiano Cantoni ENAV Project Manager for the BLUE MED Project.

### FIT-CISL CONFERENCE

**Roma 16<sup>th</sup> September** - Guido Pugliesi, ENAV's CEO takes part in the air transport conference "Rules, Development, Work and Participation" organised by FIT-CISL. The round table was coordinated by the Corriere della Sera journalist Antonella Baccaro and was attended by the Minister of Infrastructures and Transport, Sen. Altero Matteoli, the Government Undersecretary, Gianni Letta, Hon. Enrico Letta, Deputy Secretary of the PD party, Fabrizio Palenzona, President of Assaeroporti, Lupo Rattazzi, President of Assaereo, Vito Riggio, President of ENAC, Rocco Sabelli, CEO of Alitalia. In the picture, from left, Guido Pugliesi, Raffaele Bonanni, Secretary General of CISL, Sen. Altero Matteoli.

### THE SPECIAL ADMINISTRATOR OF THE ABANO TERME COUNCIL AT PADOVA ACC

**Padova 16<sup>th</sup> September** - Ms Marcella Conversano, Special Administrator of the Abano Terme Council, together with Francesco Augello, Head of ENAV's Area Control Centre of Padova during the visit to Padova ACC.

## ENAV AND COPIT RENEW THE AGREEMENT

**Roma 21<sup>st</sup> September** - ENAV and COPIT (Comitato di Parlamentari per l'Innovazione Tecnologica e lo Sviluppo Sostenibile) renew the agreement for the establishment of an active cooperation in support of corporate policies for technological development at international level in the domain of advanced technologies for the air industry. In the photograph a moment of the meeting in ENAV's Board Room. The following people are present for COPIT, Hon. Mario Tassone, Hon. Aldo D'Alessio, Sen. Maurizio Eufemi and Gen. Felice Grosso, Mr. Martucci and Mr. Triola; for ENAV: the Chairman Luigi Martini, the CEO Guido Pugliesi, the Secretary General Domenico Nolè, the Head of Technical Area Loris Padella, the Director of Istitutional Relations Corrado Ruggieri and the Head of External Relations Alessandro Di Giacomo.

## ENAV FOOTBALL TOURNAMENT WITH TRADE UNIONS

**Viterbo 30<sup>th</sup> September - 2<sup>nd</sup> October** - The 2010 football-soccer tournament between ENAV and trade unions takes place. This year's sports competition was promoted by the Industrial Relations department. More than 100 players participated, including trade unionists from various organisations such as FIT-CISL, UIL-T, private labour COBAS, ATM-PP, the Industrial Relations and the Operational Area teams. The FIT-CISL team wins the final game (in the photograph).

## DIPO CONFERENCE

**Roma 29<sup>th</sup> September** - Roberto Di Carlo, ENAV's Head of Safety, Validation and Technical-Operational Quality (in the photograph) takes part in the "International Conference on Operational Risk data for decision making" organised by the DIPO (ABI) Association - Italian Database Operational Losses. The purpose of the conference: the creation of a network amongst banking experts, technical secretaries of various academic consortiums, different kinds of providers and database caretakers, on

the basis of public data re-elaboration.

## ENAV AT THE AIRPORT EXCHANGE 2010 IN ISTANBUL

**Istanbul 5<sup>th</sup> October** - Massimo Garbini ENAV's Director General, introduces the Company's action plan concerning the so-called Runway Incursions, which represents a complex problem of the aeronautical world.

**ENAV AT THE AVIOGEI CONFERENCE**

**Roma 19<sup>th</sup> October** - Maurizio Paggetti, Head of ENAV's SAAV and CAAV Airport Operations Department takes part in the conference "From ground Handling's liberalisation to current times", organised by Aviogeai.

**ENAV DONATES 200 COMPUTERS TO SCHOOLS OF L'AQUILA**

**L'Aquila 21<sup>st</sup> October** - Massimo Bellizzi, Head of ENAV's Operational Area (first from left) and Domenico Casalino, Head of ENAV's IT Systems (first from right), donate 200 Pentium computers to Gianni Chiodi, President of the Abruzzo Region and Administrator in charge of Reconstruction. These are devices used by ENAV which, after the renewal, have been destined to schools in L'Aquila affected by the earthquake.

**C.I.E.L.I. CONFERENCE**

**Genova 27<sup>th</sup> October** - ENAV takes part in the conference "The role of the Genova airport within the north-western airport system" promoted by the Centre of Excellence on Integrated Logistics (C.I.E.L.I.) of Genova. University. In the photograph, from left, Guido Pugliesi, ENAV's CEO and professor Renato Midoro, Director of C.I.E.L.I.

**SECOND EDITION OF THE SCHOOL IN AVIATION MANAGEMENT**

**Forli 11<sup>th</sup> - 29<sup>th</sup> October** - The second Engineering Faculty of the University of Bologna and ENAV organise the second edition of the "School in Aviation Management" in order to promote the integration amongst the main air transport industry operators through training activities. In the photograph, a moment of the course organized in Calamandrei Room in Forli's Council building.

### THE CANADIAN PROVIDER VISITS ROMA ACC

#### Ciampino 26<sup>th</sup> October

A delegation of the Canadian NAV Service Provider visits Roma ACC. In the photograph, from left, Roberto Iovino, ENAV's Reporting Communication and Operational Safety Department, Roberto Di Carlo, Head of ENAV's Safety, Validation and Technical Operational Quality, John David, Vice President Safety & Quality NAV Canada, Remi Joly, Human Factors Manager NAV Canada,

Rodolfo Volpini, ENAV's Operational Safety Events Management Department.

### APP COURSE DIPLOMAS PRESENTATION

**Forlì 29<sup>th</sup> October** - 21 AIS Officers achieve the diploma for the APP ab-initio course. In the middle, the Course Supervisor, ATC Danilo Colella.

### THE "FONDAZIONE 8 OTTOBRE" AWARDS ENAV'S CEO

**Milano 5<sup>th</sup> November** - The "Fondazione 8 Ottobre" and the Centro Studi Demetra awards ENAV's CEO Guido Pugliesi during the International congress on air traffic safety IASS 2010 with a certificate of recognition "for having transformed the Company managing air traffic control in Italy into a model of progress, efficiency and professional skill acknowledged on the international level, successfully fulfilling its institutional mission." From left: the President of the Fondazione 8 Ottobre 2001, Paolo Pettinaroli, ENAV CEO Guido Pugliesi and the President of the Centro Studi Demetra, Pierluigi Di Palma.

### ENAV TAKES PART AT IASS 2010

**Milano 5<sup>th</sup> November** - Massimo Garbini, ENAV's Director General, attends the International congress on air traffic safety IASS 2010, organized by the Flight Safety Foundation, the "Fondazione 8 Ottobre" 2001 and the Centro Studi Demetra.

**THE ANGOLAN ENANA PROVIDER VISITS ROMA ACC**

**Ciampino 5<sup>th</sup> November** - An ENANA (Angolan Civil Aviation) delegation visits Roma ACC. From left: Massimo Orsoni, ENAV, Francesco Briotti, SELEX-SI, Diogenes Silvestre De Silva, ENANA's Administrator, Sergio Cabibbo, SELEX-SI, and other members of the angolan delegation.

**ENAV ATTENDS 2<sup>ND</sup> MINISTERIAL CONFERENCE ON GLOBAL ENVIRONMENT AND ENERGY IN TRANSPORT**

**Roma 8-9<sup>th</sup> November** - ENAV attends 2nd Ministerial conference on global Environment and Energy in Transport (MEET) chaired by the Minister of Infrastructures and Transport, Sen. Altero Matteoli, with the participation of 25 countries from 5 continents, represented by government ministers or their delegates. In the photograph the Vietnamese delegation visits the ENAV corner.

**ANSV VISITS ROMA ACC**

**Ciampino 17<sup>th</sup> November** - The Agenzia Nazionale per la Sicurezza del Volo (ANSV) goes to Roma ACC in order to learn about its technologies and working methods. In the photograph, the ANSV delegation, Francesco Giallanza (first from left), ACC's Supervisor and Mattia Palermo (first from right), ACC's Supervisor.

**THE MILITARY AIR FORCE AND ENAV UNDERSIGN A NEW OPERATIONAL PROCEDURE FOR FLIGHT SAFETY**
